Dear Jason,

We're delighted to write in support of your documentary, *THE INEXTINGUISHABLE SYMPHONY*. Based on Martin Goldsmith's book by the same name, *THE INEXTINGUISHABLE SYMPHONY* promises to be a moving film about love, music and survival in Nazi Germany, interweaving the story of the Jüdische Kulturbund and Goldsmith's own family. And it will break new ground in documenting the stories of the Holocaust.

Please keep in touch as the production takes shape. We wish you every success in securing the resources your need, and look forward to screening the completed work. Based on the rough cut we have seen, we have every expectation that *THE INEXTINGUISHABLE SYMPHONY* will be a significant special in the PBS prime time schedule. If you need any assistance, feel free to contact us.

Sincerely,
